SUPPLEMENT TO 25X1A2g
REPORT NO. [REDACTED]

1. The Committee of Central and Eastern Europe, an anti-Communist organization recently formed in Buenos Aires to represent individuals whose countries are currently under Soviet domination (cf. [REDACTED]), elected the following officers at its most recent meeting:

President - Miroslaw Arciszewski, former Minister to Buenos Aires for the Polish Government-in-Exile

Vice Presidents - (fnu) Prhala, Czech, now in London
Dr. Vinco Zorc, Slovene
An unidentified Ukrainian

Secretary General - E. Eustachiewicz. Pole

It was agreed that a new president should be elected every three months.

2. Dr. Filip M. Dominikovic, former Yugoslav Charge d'Affaires in Buenos Aires, has refused to lend his support to the Committee on the grounds that he could not work with such men as Milan Stojadinovic, former Yugoslav Prime Minister, who had collaborated so closely with the Germans during World War II. Dominikovic claims that the Committee's purpose is to facilitate the immigration of Nazi technicians and specialists to Argentina, especially in those cases where American and British military authorities in Germany and Austria will not issue travel permits.

Comment: If such is the case, Branko Benzon may be expected to play an important role in the Committee's activities in view of his close connections with Argentine immigration authorities.)

3. The Committee itself states that its primary and principal goal is to inform the world of the real meaning of Communism and how it operates in each of the satellite countries. In this manner it hopes to intensify the collaboration among these countries and their immigrants in their fight against Communism.
